Accessibility Statement

Cubitt Education

Website: www.cubitteducation.com

Last Updated: 22 January 2026

Our Commitment to Accessibility

Cubitt Education is committed to ensuring digital accessibility for all users, including people with disabilities. We believe that everyone deserves equal access to education, training, and professional development opportunities. We are continually improving the user experience for everyone and applying the relevant accessibility standards to ensure we provide equal access to all users.

Accessibility Standards

This website aims to conform to the Web Content Accessibility Guidelines (WCAG) 2.1 at Level AA. These guidelines explain how to make web content more accessible for people with disabilities and more user-friendly for everyone.

The guidelines have three levels of accessibility: A, AA, and AAA. We have chosen Level AA as our target for the Cubitt Education website.

Accessibility Features

We have implemented the following accessibility features on our website:

Navigation and Structure

- Consistent navigation throughout the website

- Clear and descriptive page titles

- Logical heading structure to aid screen reader navigation

- Skip navigation links to allow users to bypass repetitive content

- Breadcrumb trails for easy orientation

Visual Design

- Sufficient colour contrast between text and background

- Text can be resized up to 200% without loss of functionality

- Content does not rely solely on colour to convey information

- Clear and readable fonts throughout the website

Images and Media

- Alternative text descriptions for all meaningful images

- Decorative images are appropriately marked to be ignored by assistive technologies

- Video content includes captions where available

- Audio content includes transcripts where available

Interactive Elements

- All interactive elements are accessible via keyboard navigation

- Form fields include clear labels and instructions

- Error messages are clearly identified and described

- Focus indicators are visible for keyboard users

Documents and Resources

- We aim to provide accessible PDF documents where possible

- Alternative formats are available upon request for course materials

Third-Party Content and Platforms

Our website integrates with third-party platforms including:

- Wix (website hosting)

- LearnWorlds (online learning platform)

- Stripe and PayPal (payment processing)

We work to ensure that our use of these platforms maintains accessibility standards. However, we cannot guarantee the accessibility of content controlled entirely by third-

party providers. We encourage you to review the accessibility statements of these providers for further information.

Known Limitations

Despite our best efforts to ensure accessibility of the Cubitt Education website, there may be some limitations. Below is a description of known limitations and potential solutions:

Content/Feature	Known Issue	Alternative
Some older PDF documents	May not be fully accessible	Contact us for alternative formats
Third-party embedded content	May have varying accessibility levels	Contact us if you experience difficulties
Some video content	May lack captions	Transcript available upon request

We are actively working to address these issues and improve accessibility across all our content.

Compatibility

This website is designed to be compatible with the following assistive technologies:

- Screen readers (including JAWS, NVDA, and VoiceOver)
- Screen magnification software
- Speech recognition software
- Keyboard-only navigation

The website is designed to be compatible with recent versions of the following browsers:

- Google Chrome
- Mozilla Firefox
- Apple Safari
- Microsoft Edge

Feedback and Contact Information

We welcome your feedback on the accessibility of the Cubitt Education website. If you encounter any accessibility barriers, have difficulty accessing any content, or require information in an alternative format, please contact us:

Email: dpo@cubitteducation.com

Website: www.cubitteducation.com

Please include the following information in your message:

- The web address (URL) of the content you experienced difficulty with

- A description of the problem you encountered

- The type of assistive technology you were using (if applicable)

- Your preferred format for receiving information

We aim to respond to accessibility feedback within 5 working days and to resolve issues within 10 working days where possible.

Enforcement Procedure

If you are not satisfied with our response to your accessibility concern, you may escalate the matter to the Equality and Human Rights Commission (EHRC):

Website: www.equalityhumanrights.com

The Equality Advisory Support Service (EASS) provides information and advice on discrimination and human rights issues:

Website: www.equalityadvisoryservice.com

Technical Specifications

Accessibility of the Cubitt Education website relies on the following technologies to work with the particular combination of web browser and any assistive technologies or plugins installed on your computer:

- HTML

- CSS

- JavaScript

- WAI-ARIA

These technologies are relied upon for conformance with the accessibility standards used.

Assessment Approach

Cubitt Education has assessed the accessibility of this website through the following methods:

- Self-evaluation

- Review of user feedback

- Automated accessibility testing tools

Continuous Improvement

We are committed to continuously improving the accessibility of our website and learning platforms. Our accessibility efforts are ongoing, and we regularly review our website to identify and address accessibility issues.

This statement will be reviewed and updated regularly, at minimum on an annual basis or when significant changes are made to the website.
